

Augusta Girls Softball

Dear Prospective AGSI Business Sponsor,

Our softball league is a non-profit, all-volunteer program providing girls with a safe environment to learn teamwork, sportsmanship and leadership through the game of softball. Last season our league had over 250 girls enjoy playing softball with us. It is our goal to keep the costs of joining the league as inexpensive as possible, so that we can reach more children and provide the best playing fields and equipment possible to the girls in our community. Our fields are in need of constant improvement and the need for new equipment is a yearly cost to us. Your donation will help us meet these goals. The fee to sponsor a team is \$200. If you decide to sponsor a team, your company's logo will be printed on the front of a team shirt. A second sponsorship option is to have your banner displayed at the softball complex, along with a traditional sponsorship for a total cost of \$250. You would need to provide the banner to us or use an existing banner that we have used in the past.

Your sponsorship is designed to reciprocate your support with local exposure and direct promotion to generate business and goodwill for your company within the growing softball community. We sincerely hope your business will be able to help our girls by providing the support needed for a successful and memorable softball season.

We would like to have all sponsorship commitments returned by April 4th. If you have a preference of shirt color, please let us know and we will do our best to accommodate your request. We may require you to provide us with a digital image of your company logo. Please fill out the form below and return with payment via mail. You may also submit sponsorship form and payment by clicking the sponsorship link on the home page of our website www.augustagirlssoftball.com.

Please feel free to come out and watch the girls play. We look forward to another successful season! If you have any questions, please feel free to e-mail us.

Sincerely,

Augusta Girls Softball
